Purpose:

Melton Primary School strives for our students to become motivated and independent learners through the provision of a wide range of learning choices for students to demonstrate their understandings.

We consistently encourage students to become lifelong learners who value themselves, others and learning.

We promote social responsibility, resilience, perseverance and independence to capably prepare our students for an ever changing world.

We aim to provide a nurturing and challenging environment that promotes an enthusiasm for learning and prepares individuals to become reflective and valued members of society.

In order to deliver this core purpose our school will:

- Demonstrate exemplary teaching and learning
- Encourage and support innovation and reflection
- Build strong partnerships between school, home and the wider community
- See each member of our community as an individual
- Recognise and celebrate effort and achievement
- Promote a safe and caring environment.

Values:

1. To emphasize a strong focus on consistent Numeracy and Literacy practices that underpin success in other areas of learning.

2. To recognise and cater for individual differences and needs, providing programs promoting high expectations for every student; allowing all to achieve their full potential.

3. To provide a safe, vibrant and harmonious learning environment.

4. To promote our Agreed Behaviours-

We are Safe
