# From the Principal's desk

Dear Parents/Guardians,

## **Welcome Back**

We hope that all of our families enjoyed a relaxing and wonderful holiday break shared together.

## **Curriculum Day and Professional Practice Day**

Please mark your calendars for our upcoming Professional Practice and Curriculum Days.

## **Welcome Back Mrs Jordan and Mrs Tuckwell**

This term we welcome back Mrs Jordan and Mrs Tuckwell (nee Taylor). Both of these ladies are teaching STEM. Please make them feel welcome.

## **Victorian Premiers' Reading Challenge**

We encourage all of our families to read with their child/ren and log books for the Victorian Premiers' Reading Challenge. Further details on how to log books are provided in the newsletter.

## **35+ Nights Reading - Term 3 goal**

This term our goal is that students log 35+ nights reading since the start of the term. Reading on the weekend and over holidays count! Help your child achieve this goal by ensuring they log their nights reading in their reading log or diary.

## **Pie Drive Thank you**

Thank you to all of our families that supported our Pie Drive at the end term 2. We appreciate all of your support. Thank you to the following parents who assisted with sorting out pies Luran Browne-Kerr, Karen Wicks, Megan Coulson and Nora Montgomery.

# From the Principal's desk

## **STATE Rugby team, here they come...**

Congratulations to Wiki and Abraham who have been selected for the Victorian Primary Schools State Rugby Team. A huge thank you to all of our families that supported our Winter Wonderland day that was held as a fundraiser to support Wiki and Abraham with all of the costs associated with being a part of the State team.

## **Congratulations to Mrs Gilbert**

A huge congratulations to Mrs Gilbert who has been appointed as the Principal of Myrning Primary School. We thank her for all of her work during her time at Melton Primary School and we wish her all the best at her new school.

## **Sandra Pizaro.**

It is with great sadness that we pass on this message to the MPS School Community of the passing of a former MPS staff member.

Sandra passed away peacefully on Monday 27th of June. Sandra taught at Melton Primary School from 2013-2017. You may remember her being in the Library and she loved sharing many books with the students.

Many staff from MPS attended the service for Sandra in Sunbury on the school holidays.

*It is extremely important if your child is going to be away you enter their absence via the Compass app or telephone 9753 5335, select option 1, and leave a message.*

# Nick Bland

Nick was born on a farm in Victoria's Yarra Valley in 1973. He was the son of an artist and a primary school teacher. He spent his childhood climbing haystacks and making mischief in his father's studio. When he moved to the outback at the age of 6, he discovered a wonderful new world and his creativity bloomed. Nick always told family and friends he was going to be a drawer and a writer. He now lives in tropical Darwin where he works full time as an author illustrator. On weekends he works as a guardian for 120 aboriginal boys from around Northern Australia who are boarding in Darwin .

## EXERCISING IN WINTER

Winter! We are in the depths of the coldest part of the year. After conversations with other people, I have realised that it is not just me who is struggling with motivation to move my body in the colder months.

But... whilst it is difficult to find the motivation to move, exercising in winter, particularly outdoors, is great for your physical and mental health.

### PHYSICAL BENEFITS

- Helps trigger the immune system to work harder, which may result in fewer coughs and colds during the cooler months.
- Helps you exercise more efficiently and build endurance, since your heart doesn't have to work as hard in colder temperatures.

### MENTAL HEALTH BENEFITS

- Exercise may alleviate symptoms of depression because it increases the levels of endorphins in the brain, which have 'feel-good', mood-lifting qualities.
- Outdoor exercise in particular can boost levels of vitamin D, which studies show can have a positive impact on mental wellbeing.
- 2 hours of exercise a week in a natural setting increase the likelihood of good health or high wellbeing.
- Going outdoors and breathing in fresh air, as opposed to recycled air, helps with oxygenating our cells and nourishing our bodies.

# Foundation

In Literacy this term, we are looking at information texts and discussing the difference between fact and fiction. We are growing and observing 'grass heads' and writing about the results.

## Fairy tale dress up flashback

### REMINDERS

The swimming program continues this term, please ensure you are sending all items clearly labelled with your child's name.

We are so pleased with the progress of students and their reading. Thank you to all the families who are partaking in nightly reading and practising the magic words. This additional practise at home is so crucial to reading success.

# Grade 2 -

WELCOME BACK GRADE 2 STUDENTS AND FAMILIES. We are so excited to be back again! We hope you have all had a nice break over the school holidays.

## Reading

In reading this term we will be focussing on a range of comprehension strategies. Some of these strategies include:

- ❑ Inferring setting, characters feelings and traits.
- ❑ Critiquing
- ❑ Author's Purpose
- ❑ Asking and answering questions.

These strategies will help us better understand a text as we read.

## Writing

In writing this term we will be focussing on different genres of writing. Some of the genres include:

- ❑ Narrative
- ❑ Poetry
- ❑ Information Reports
- ❑ Explanatory writing

We are looking forward to seeing the students writing skills improve over the term.

## Maths

In maths this term we will be working hard on different concepts. Some of the concepts we will be covering include:

- ❑ Fractions
- ❑ Time
- ❑ Chance

## Reminders

**Swimming** - Please don't forget to pack your child's towel and change of clothes. Ensure you are sending your child with their items clearly labelled.

**Sleepover** - We have been super busy organising the Grade 2 Sleepover. Please keep an eye out on Compass for the upcoming event.

**Nights Reading** - This term our goal is that students log 35+ nights reading since the start of the term. Reading on the weekend and over holidays count! Help your child achieve this goal by ensuring they log their nights reading in their reading log or diary.

# Grade Four

The Grade 4 students have been focussing on Persuasive Writing this term. Here are some of our opinions about a topic.

I think kids should do chores because parents already do so much for us and we need to start helping them out.  
- Olive 4A

I think kids shouldn't do chores because you shouldn't make kids do things they don't want to.  
- Tayla 4C

Yes, because you have to make your house spotless for your parents if not, they will be mad.  
- Brodie 4C

Yes and no. Some kids need to do physical activities and not just be on their electronics all day. On the other hand chores can be very tiring and kids get home exhausted at the end of the day.  
- Josh 4A

Yes - because it gives you something to do when you're bored... and you might get money! - Addie 4D

No, I think it should be the parents' choice whether kids do chores.  
- Ellie 4D

## Should kids do chores?

Yes, because it teaches you life skills.  
- Jake 4D

No, because we need to enjoy our lives when we are young!  
- Dexter and Justin 4C

Kids should absolutely do chores because they can earn pocket money, help around the house and make the house look tidy. I don't really enjoy doing them but I'm happy I get money.  
- Mason 4A

Yes because kids should be able to earn pocket money and it teaches them for the future. It can help out your parents.  
- Lexi 4A

It teaches them responsibility. Kids can say thanks for helping them.  
- Sophia 4B

No, because it will burn them out and minimise their play time. You can't do homework if you are spending too much time doing chores.  
- Billie 4B

I think so because it would help them around the house. If mum had a busy schedule she'd have so much to do and I would help her out anyway. Dads however just sit around and do nothing.  
- Scarlett 4A

# Grade 6

Questions you can ask your child to support their reading at home

## **Fiction Texts**

- What do you think this story is going to be about? (ask before reading)
- What is the genre of this book and how do you know?
- Can you summarise the important parts of the story?
- What type of person is the main character? How do you know this?
- What lesson does the main character learn?
- What is the author's message and what does this message mean to you?

## **Non- Fiction Texts**

- What information do you think this text will tell us? (ask before reading)
- What is the genre of this book and how do you know?
- Can you summarise the important information in the text?
- What is the main idea the writer wants you to learn?
- How do the photographs/diagrams in this book help you understand the topic?

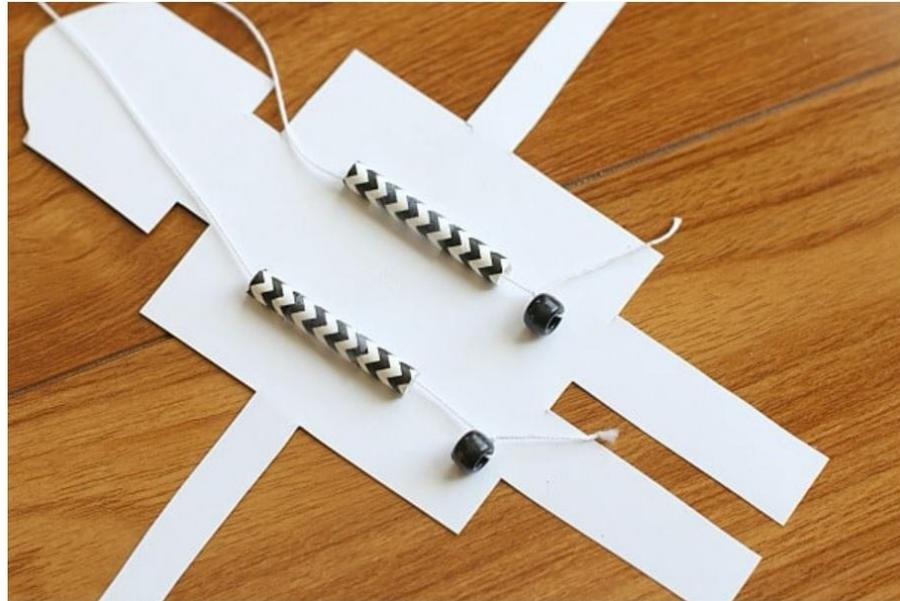

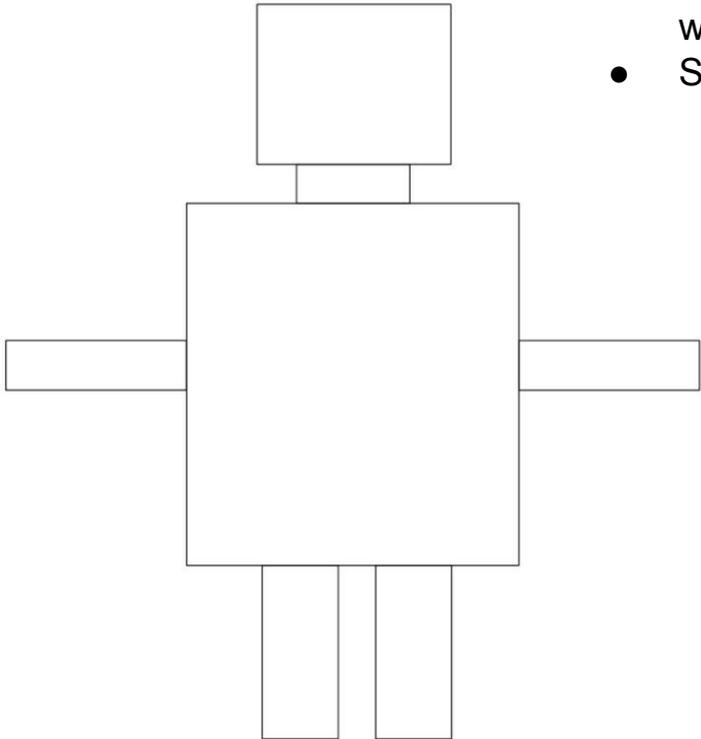

## **Homework Expectations**

- Students are encouraged to read every night and record their books in their diary.
- Complete Spelling Mastery word list activities
- Work on Multiplication facts
- Continue working on student learning goals

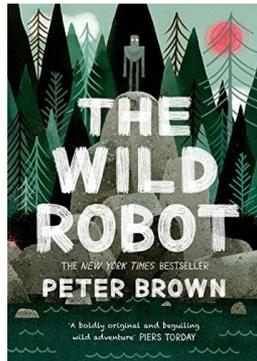

# STEM

## Design and engineer your own robot.

- Use shapes and patterns to design your robot
- Add straws to the back, thread with string and place beads on the end. (see picture below)
- Place the loop of the string on a door handle and pull on the string with the bead ends to make your robot climb.
- Show your STEM teacher your finished robot.

Read a robot book!

**Here are some examples of non-perishable food items:**

- pasta/spaghetti
- canned food (spaghetti, baked beans, soup, vegetables)
- pasta sauce
- long life milk
- cereal
- rice
- noodles (cup or 2 minute)

# STICK2 HOCKEY

Providing a precursor to traditional club hockey, Stick2Hockey gives participants the opportunity to play modified games with less players on each side ensuring that each player is more involved in the game. Whether a participant has gone through the Hookin2Hockey program or not, Stick2Hockey allows the further development of the fundamental hockey skills, as well as the game based learning that comes through the modified matches.

Following entry through Stick2Hockey you will be introduced to the traditional club environment based on a traditional 7 or 11 a side game, played on a full or half field.

The Melton Hockey Club is a friendly environment with opportunities for the whole family to be involved in many aspects of a club, as a player, coach, umpire or administrator. Hockey is a game that can be played by any age or gender, making it a great sport for the whole family! Ask us about other programs to suit your family!

SEASON B begins on Thursday July 14th at 5.45. Each session runs for 1 hour, which includes continued skill development and match play experience.

Each fully registered participant will also go into the draw to receive a participant pack and other great hockey prizes!

For just \$85\* each participant will receive:

8 week season beginning July 14th

Specialised coaching

Match play

Reversible club singlet

Participation medallion

\*If returning from SEASON A the cost is just \$35 and does not include a singlet.

\*If your child has not yet participated in a 2022 hockey program there is also a \$35 registration/insurance levy.
