Being 'Active Learners' outside the School!

Grade 1 Ceres Excursion

Grade 5 MCG Excursion

Foundation Farm Excursion

From the Principal's desk

Dear Parents/Guardians,

Grade 6 Camp

Our students had a sensational time at the Grade 6 Camp to Queenscliff. Our students are to be congratulated on their exceptional behaviour and for being great ambassadors for our school. They should be exceptionally proud of trying new things and exercising their muscle of bravery. A special thank you to Ms Allan, Mrs Zapparoni, Mrs Partridge, Ms Velden, Ms Crossley and Mr Wheelahan for your organisation and attendance at the camp. A huge thank you to parent helper Cam Willey for his attendance and support of this camp.

Foundation Animal Land Excursion

Our Foundation students had a wonderful time on their first excursion to the farm. Students were provided with the opportunity to help feed the animals, care for them and learn about farm life. Our students are to be commended for their sensational behaviour. There were many tired students on the bus ride back and quite a few fell asleep. A special thank you to Mrs Morgan, Mrs Thomas, Mrs Stokes, Mrs Shirtcliffe, Ms Colson and Mrs Papaemmanouil who organised and attended this event!

Grade 3 Bike Education Excursion

Helmet. Pedal. Stop. Go. Signal. These are a few of the skills our Grade 3 students learnt when they went to learn about rules and laws to do with bike riding on their excursion to the Brimbank Bike Education Centre. Our students enjoyed the opportunity to learn about personal safety, road and traffic signs and a safe and successful riding experience. A huge thank you to Ms Prenga, Mrs Coward, Mrs Geddes, Ms Fritzz and Ms Moss for your organisation and attendance on the day.

From the Principal's desk

Book Fair

It is wonderful to see our families supporting their children with reading by purchasing books from our recent Book Fair! We will receive \$1159 from the sales to buy books for our library. A massive thank you to Mrs Strawbridge and Mrs Borg for their coordination and organisation of this event. A special thank you to all of the other staff that assisted with the sales, it is greatly appreciated.

Skateboarding Incursion-

After a reschedule due to the weather, the Grade 4 students and selected Grade 6 students were again looking forward to participate in a free Skateboarding incursion. Unfortunately with another wet day scheduled they had to postpone this event again. A special thank you to Mr CC for organising this and to Mrs Reardon, Mr Kay, Mrs McMahon, Mrs Allan and Mr Trewavis for their support of this event, hopefully third time lucky!

MCG Excursion

Students in Grade 5 enjoyed the opportunity to stand in the place where many sporting heroes have performed as they visited the MCG. Our students learnt not only about the history of the venue, but also the athletes and events that have occurred there. They even had the opportunity to meet Olympian Carrie Smith. Our students were sensational ambassadors for our school and should be proud of the respect they displayed. Thank you Mrs Hamilton, Mrs Strods, Mrs Magnano, Ms Guise, Mrs Dandy, Mrs Borg and Mr Hunt for their organisation and attendance to this event.

From the Principal's desk

Ceres Excursion

Grade 1 students were provided with the opportunity to attend CERES - School of Nature and Climate to learn about Indigenous Perspectives. Students explored Indigenous artefacts, Indigenous stories, Ochre painting, Ngarrga/Traditional Dance and Merri Merri Cultural Walk. CERES will even plant trees on behalf of Melton Primary School. This was a great hands on learning experience for the students about the Indigenous ways of living and perspectives. Our students showed respect and were active learners throughout the day - sensational work Grade 1 students! A special thank you to Mrs Brewis, Ms Smart, Mr Strachan, Mrs Stanley, Ms Moss, Mrs Blundell, Mrs Crossley and Mrs Phelan for your organisation and attendance at this event.

COLD Rock Fundraiser

A day of comfort and warmth was on the agenda as the students and staff got behind our Winter Wonderland fundraiser for Exford Primary School. A grand total of \$3,273.10 was raised. The ice-cream and lollies were extremely popular, with us providing double the amount of orders that we have in the past. Thank you to everyone who supported this fundraiser, our leadership team for their organisation and our ice-cream helpers at the busiest ice-cream shop. Thank you to the businesses that supported this event Aspire Lawyers, Coles, Costco, I Love This Shop, Scoops Ice-Cream and Woolworths.

It has been a busy couple of weeks with students not only learning on site, but provided with learning experiences off site. What an amazing team of staff we have who want to support learning with so many hands on experiences!

Pie Drive - The orders are coming in! Thank you to everyone who has placed them so far. **Orders are due by Wednesday 14th June.**

From the Principal's desk

Do you have a Concern?

Do you have a concern and you not sure how to raise it? **Clarify the issue:** be clear about the topic or issue that you want to discuss, focus on things that are genuinely affecting your child, always remain calm and remember you may not have all of the facts relating to the circumstances of the topic or issue you wish to discuss, think about what would be an acceptable outcome for you and your child, be informed and check DET policies or guidelines (where relevant).

Contact the school: Firstly, write a note to **your child's teacher** outlining your concern, make an appointment to speak on the phone or in person with the class teacher—ensure that you inform the school about the issue you wish to discuss, consider speaking to the Primary Welfare Officer—if you feel this would be appropriate. The class teacher together with others involved, should be given a reasonable amount of time to take the steps required to resolve or address your concerns. Remember, it may not always be possible to resolve an issue to your complete satisfaction.

Contact a member of the Principal Class:

Most concerns are resolved by following those steps already outlined. However, if the issue remains unresolved after you have approached your child's teacher then please ensure **you contact the office and make an appointment to see a Principal Class member.**

Contact the Regional Office:

After meeting with the Principal, if you feel your complaint has not been addressed satisfactorily you can contact the relevant regional office. The regional office's responsibility is to ensure that complaints, wherever possible, are resolved at the school level and to ensure that procedures at the school are in accordance with the DET regulatory framework.

Please feel free to contact me via phone, email or in person.

From the Principal's desk

35+ Nights Reading - Term 2 goal

This term our goal is that students log 35+ nights reading since the start of the year. Reading on the weekend and over holidays count! Help your child achieve this goal by ensuring they log their nights reading in their reading log or diary.

Planning Week

Please be advised that from 19th-23rd June, all teachers will participate in a planning day for their year level. Each team is allocated one day where they meet together and develop the scaffolding for their term 3 planning. During this week it means that normal specialist programs do not operate at their normal timetable.

Premiers' Reading Challenge

Don't forget to log books in the Victorian Premiers' Reading Challenge. Instructions on how to this are located further on in the newsletter. Your child's teacher will have sent home the your child's log in details.

Parent Teacher Meetings - Monday 10th July - Student Free Day

Families will be shortly asked to book in for a student led conference with classroom and specialist teachers via Compass. This will be your opportunity to discuss with your child and their teacher, their performance and future learning. Monday 10th July is the day where students do not attend normal school, but only with the parent for Parent Teacher meetings.

End of term

The end of term is approaching fast. **Students will finish term 2 on Friday 23rd June at 2:30pm.** If you are unable to collect your child/ren at this time, please ensure that you make alternate arrangements for their care.

Vanessa Harrison
Principal

Below this is a section for 'Write a review' with a large text area. At the bottom left, there is a 'Mark favourite' checkbox. At the bottom right, there are two buttons: 'Close' and 'Finish book'. The 'Finish book' button is circled in red.

Camps, Sports, Excursion Fund (CSEF) \$\$\$

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students

Last chance to apply!

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, **you do not need to complete an application form this year** unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments**; your child has started or changed schools this year.
- **changed family circumstances**; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Applications should be lodged as soon as possible, with schools accepting them until 23rd June

Foundation Farm Excursion

The Foundation students had a fantastic time at the farm. They participated in a range of fun filled activities such as milking Ellie the cow, riding Snowflake the pony, feeding the ducks, planting seeds, nursing baby animals and they even had a tractor ride!

Grade 2

Community walk

Grade 4

Grade 4 had a deep dive into the past with our incursion about pre colonial Australia and the First Fleet. This has linked into our inquiry studies as well as our writing in historical narratives.

Don't forget payments for camp are coming up, they are due on the 28th of July.

Parent interviews are open for bookings.

Physical Education

Melton Primary Schools Annual 3-6 House Athletics Carnival is fast approaching! It's set to take place this Friday!

The Carnival will commence at 9.00am and finish at 3.00pm, students will get the opportunity to participate in eight different athletic events.

Students are encouraged to come dressed in their house colours!

We would love to see as many members of our school community in attendance!

This next presentation from [The Resilience Project](#) is all about Empathy and Kindness.

Empathy is our ability to put ourselves in the shoes of others to feel and see what they do. We practice this through being kind and compassionate towards other people.

Brain imaging data shows that being kind to others registers in the brain as more like eating chocolate than like fulfilling an obligation to do what's right (e.g. eating brussel sprouts)! Research shows that practicing empathy, such as performing acts of kindness, taps into our brain's 'mirror neurons', builds compassion and our behaviour becomes more social and community-based.

View Part 3 of the series here

Part 3 - Empathy: <https://theresilienceproject.com.au/2023-parent-carer-hub-inspire-martin/>

Here's an activity to practise empathy and kindness:

- Reflect on someone in your life who could benefit from an act of kindness today. It could be a friend who would love some affirmation about their work, your pet who deserves an extra treat, or a family member who would love a phone call or text message.
- Make a plan for who you are going to gift an act of kindness to, and what you are going to do.
- If you want to add accountability to your plan, share it with someone else and encourage them to do the same thing.
- Follow up with each other in a few days' time, to ask how it went!

WOW! Our Junior SRC and Senior SRC want to say thank you for joining us for Pirate Day to raise money for kids with brain cancer. We raised...

\$459.50

Hello!

This is Neil and David, and we are part of the SRC (Student Representative Council of Melton Primary School). We are here to ask you a favour for the recent tragedy of Exford Primary School. We were wondering if you could donate any of the following things: ice cream, lollies, bowls/cups and spoons for our ice cream fundraiser.

Thank you for spending your time reading our letter and we hope you can help us out.

From Neil and David.

P.S if you do agree to help, please all of things ready before the 9th of June.

Our Senior SRC spent some time writing letters to local businesses to request any donations for our Cold Rock Ice Cream Fundraiser. A huge thank you to...
