

## **Accidents and Incidents Reporting Policy Students**

#### Rationale:

This policy has been made to ensure the correct procedures and processes are undertaken to record accidents and incidents to students at MPS.

At all times, the school will adhere to the DE guidelines.

**Emergency and Critical Incident Management Planning: Resources | education.vic.gov.au** 

### **Procedures**

### When an accident / incident occurs, the following is to be undertaken by staff on hand:

- 1. First aid action is to be taken as required. Send a reliable student if necessary to the office to seek trained first aid assistance and administration assistance.
- 2. Seek assistance from nearby staff if necessary.
- 3. Any serious accident or incident is to be reported immediately to the school administration.
- 4. <u>All</u> accidents and incidents are to be reported as soon as possible to the school office and the required documentation completed.

### **Process**

All accidents and incidents involving injury are also to be entered online in the injury management system on CASES/CASES21 (Appendix 1)

All accidents and incidents will also be logged under the child's name in Compass as a Chronicle entry.

Incidents to staff must also be logged on Edusafe Plus and are notifiable under WorkSafe. All incidents involving staff must be reported to administration.
