

Onsite supervision of school children

Rationale: This policy has been developed to ensure students are adequately supervised in the school yard.

Guidelines

As part of its duty of care the school is required to adequately supervise students for a defined period before school; at recess time and lunch time; and after school.

This on-site supervision requires not only protection from known hazards, but also protection from those that could arise (that is, those the teacher should reasonably have foreseen) and against which preventive measures could be taken.

It is essential parents/carers are kept informed as to when supervision of students is available before and after school, and that outside these times supervision and/or the collection of students is the responsibility of parents/carers. This information should be clearly provided to parents/guardians on a regular basis.

Parents/carers may require their child to leave the school grounds to:

- go home for lunch
- be dismissed early from school to attend an appointment

It is important the school has a process to authorize these requests and accurate student records are maintained.

Yard Duty

The school will provide staff supervision for students arriving before school between 8.30am and 8.40am.

The school will provide staff supervision for students after school between 3.00pm and 3.10pm.

Sufficient teachers will be allocated by the school principal or their nominee to supervise students during these periods.

Students are required to be adequately supervised during recesses and lunch times. In order to ensure that students are adequately supervised, a 'Yard Duty Roster' will be created each term allocating teachers to supervise students in defined areas of the school grounds during these times.

Details of the roster are communicated to teachers via emails, Day sheet, Compass or announcements.

Information regarding school supervision hours are provided to the school community.

Outside of these times the supervision and/or the collection of students is the responsibility of parents/guardians.

Outside of the school

The supervision of the arrival and departure of any school contract buses is a matter for the discretion of the principal who will consider the following:

- the number of students alighting from and boarding the bus at the school
- the age of students alighting from or boarding the bus
- the times of the arrival and departure of the bus(es)
- the location of the pick-up and drop-off points in relation to the other areas of the school
- whether supervision is required to protect students on the bus, or from unruly student behaviour when boarding or alighting from the bus

Parent responsibilities

Parents/carers are discouraged from sending their children to school before the designated supervision time in the morning. Parents/carers are encouraged to pick up their child by the end of the designated end of day supervision period. Parents will also be informed via the school's newsletter the times when staff members will be rostered to undertake yard supervision before and after school each day.

The school must receive written permission from a parent/carer before the school will authorise a student to be dismissed to:

- go home for lunch
- to attend an appointment during school hour

Students must be signed out of the school via the Compass Kiosk. A record of early departures is to be kept in the Administration Office and completed for all students departing the school early.

Note: When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately.

This policy is to be read in conjunction with the school's 'Duty of Care Policy'

Unauthorised student departure

When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately.

Where there is reasonable concern for the student's safety or the safety of others, immediate contact will also be made with the local police and the Department's Emergency and Security Management Branch, telephone 9589 6266 (24 hour service).

Authorised student departure

Early departure of students prior to dismissal time

Students must be signed out of the school if departing prior to dismissal time.

A record of early departures is kept on Compass. Details will include the student's name, grade, the time of departure and the name of the person collecting the student.

- No parents/carers are permitted to take students directly from the classroom.
- Students can only be collected by a responsible person 16 years and over.
- No students will be sent home on their own outside of normal dismissal time.

Arrangements for students not collected after school

Parents/guardians will be informed when supervision of students is available before and after school hours and that supervision outside of these times and/or the collection of students is the responsibility of parents/guardians. Students remaining in the school yard awaiting collection after 3.15pm will be directed to the office waiting area.

If it becomes known that a student who is normally collected from the school, remains at the school well beyond the normal time of collection, attempts will be made to contact the parents/guardians, or the emergency contact person identified by the parent/guardian in the school records.

Where all reasonable attempts have been made to locate the parents/guardian and the emergency contact persons, and the time is well beyond a reasonable time for collection, consideration will be given to contacting the police or the Department of Human Services and for them to arrange for the care and protection of the student.

Arrangements for student supervision on school camps and excursions

The school will provide supervision ratios in line with the Department's policy as outlined in the DET School Policy & Advisory Guide, depending on the nature and location of the school activity.
