Dear Parents/Guardians,

Swimming Program Term 2 & 3

Please be advised that parents/guardians will this week be able to start to pay and provide permission for our term 2 and 3 swimming program via Compass. If you are wishing to utilise your CSEF funds towards the cost of swimming, please ensure that you contact the office. To ensure that we have the right number of instructors for the number of students, **it is essential that permission and payment is received by Thursday 28th March April. The cost of our swimming program is \$130.**

End of term

The end of term is approaching fast. **Students will finish term 1 on Thursday 28th March at 2:30pm.** If you are unable to collect your children at this time, please ensure that you make alternate arrangements for their care.

Divisional Swimming

Congratulations to all of our students who participated in the Divisional Swimming. You are all champions! You showed great skill and talent as you competed against others in your event. Thank you Dani Speranza and Maria Papaemmanouil to for being a wonderful support on the day. We wish the following students all the best as they move onto the next round - Flynn K, Kayden-Lee M, Mason R, William T and Samia U all the best. A special thank you to Nikki and Ms Speranza for their organisation on the day. #meltonsproud

35 nights Reading is the goal for term 1

As previously advertised 35 nights reading is the goal for term 1. How is your child tracking? We are now at ½ way through the term.

Naplan Update

Today the students sat their final Naplan assessment. Congratulations to all of our students for trying their best, working hard and showing us the great things you can do. Between 14th - 25th March we are required to conduct catch up tests for students who are absent. Thank you to all of the staff that made the assessments run smoothly and to Mrs Ward for her coordination of these tests.

From the Principal's desk

Do you have a Concern?

Do you have a concern and you not sure how to raise it? **Clarify the issue:** be clear about the topic or issue that you want to discuss, focus on things that are genuinely affecting your child, always remain calm and remember you may not have all of the facts relating to the circumstances of the topic or issue you wish to discuss, think about what would be an acceptable outcome for you and your child, be informed and check DE policies or guidelines (where relevant).

Contact the school: Firstly, write a note to **your child's teacher** outlining your concern, make an appointment to speak on the phone or in person with the class teacher—ensure that you inform the school about the issue you wish to discuss, consider speaking to the Primary Welfare Officer—if you feel this would be appropriate. The class teacher together with others involved, should be given a reasonable amount of time to take the steps required to resolve or address your concerns. Remember, it may not always be possible to resolve an issue to your complete satisfaction.

Contact a member of the Principal Class:

Most concerns are resolved by following those steps already outlined. However, if the issue remains unresolved after you have approached your child's teacher then please ensure **you contact the office and make an appointment to see a Principal Class member.**

Contact the Regional Office:

After meeting with the Principal, if you feel your complaint has not been addressed satisfactorily you can contact the relevant regional office. The regional office's responsibility is to ensure that complaints, wherever possible, are resolved at the school level and to ensure that procedures at the school are in accordance with the DE regulatory framework.

Please feel free to contact me via phone, email or in person.

Camps, Sports, Excursion Fund (CSEF) \$\$\$

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- **\$150** for primary school students

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments**; your child has started or changed schools this year.
- **changed family circumstances**; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Applications should be lodged as soon as possible, with schools accepting them until the end of term 2.

35 nights reading is the goal!

All students should have receive their take home readers this week.

Our goal is for every child in the school to read 35+ nights during term ! Reading each night and on weekends counts!

It is simple, listen to your child read, sign their reading diary/school diary and that is one night completed! Repeat 34 more times during the term and your child will receive a merit ribbon from the members of our Principal Class team!

Congratulations on the Completion of NAPLAN

A huge congratulations to all the students in Grade 3 and Grade 5 who completed the NAPLAN assessments over the past week.

We are incredibly proud of the determination you have displayed!

You have all worked incredibly hard and should be proud of your efforts.

The results will be made available to parents later in the year, once the school receives them.

2025 Foundation Enrolments

Statewide timeline for Foundation (Prep) enrolments. Steps to enrol your child in Foundation (Prep) for the 2025 school year

To start primary school in 2025, your child will need to turn 5 years old by 30 April 2025. Schooling is compulsory for children who have turned 6 years old. If your child is starting Foundation (Prep) in 2025, you will be able to apply to enrol your child in a Victorian government primary school from the start of Term 2, 2024 (Monday 15 April 2024).

What you need to do:

1. Use [Find my School](#) to locate your designated neighbourhood school (referred to as your local school) and other nearby government schools.
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the 'Foundation (Prep) Enrolment Information Pack for Parents and Carers.' The pack will be available from Monday 15 April 2024 and will include an application form. The school may also provide you with a copy of the form to complete.
4. Submit an enrolment application for Foundation (Prep) by Friday 26 July 2024.
5. You will be notified of the outcome of your application between Monday 29 July and Friday 9 August 2024. If you receive an enrolment offer, you should accept the offer by Friday 23 August 2024.
6. Take part in enrolment information and transition sessions during Term 4, 2024.
7. Your child will start Foundation (Prep) from Wednesday 29 January 2025.

Enrolment applications submitted after 26 July 2024 will be processed by the school as they are received, in accordance with the Department of Education's Placement Policy.

Your child has a right to enrol at their local school. Your child's local school is determined on the basis of their permanent residential address. Visit [Find my School](#) to locate your child's local school.

The [enrolling in a school](#) page can also help you to confirm your child's address for enrolment.

If you are seeking to apply to enrol your child in a school that is not their local school, you should read about [school zones](#) and how they work and how applications are prioritised using the Department of Education's Placement Policy found on the [enrolling in a school](#) page.

A Melton Wander

Next date: Wednesday, 20 March 2024 | 06:30 PM

Presented by Eat Drink Westside as part of the Melbourne Food & Wine Festival.

A Melton Wander begins at Simply Indian, which, in the words of its owners, is “a restaurant passionate about preparing traditional and contemporary Indian cuisine for people to enjoy”. We'll call here for a dosa and a biryani, plus a bottle of India's favourite cola, Thums Up.

Moving on, our next stop is Centre Thai – home to arguably Melton's best pad Thai – for a big spread of Southeast Asian deliciousness including the famed noodle dish and a puckering tom yum, plus a wine, beer, soft drink or coconut juice to boot.

Specialising in the food and drink of South America, Latin Foods & Wines is your go-to in Melton for empanadas, pisco, smallgoods and the delicious sandwiches de miga – Latin America's favourite finger sandwich. It's also home to some brilliant sweets, and we'll be ending our night here in such a manner, with South American desserts and soft drinks.
